

Pier40Baseball Refund Request

OUR REFUND POLICY: You may cancel any enrollment for full credit until the day before the start date. Cancellation is done on line and the amount credited for the program will appear on your on-line Account. Any credit amount on your on-line account may be applied to pay for another program, or refunded. We will always refund credits, but for most refunds there is a 6 percent fee to cover our costs. If your child needs to drop out of a program that has already started, please contact us to arrange for a partial credit.
